I will not be able to attend the Reunion in June because I already have plans to go to Alaska for 2-1/2 weeks. Both trips would be out of the question financially.

Due to the current economic situation, I was "laid off" permanently on October 13, 2008. By the time the economy "recovers" I will undoubtedly be out of the running for a decent job because of my age.

So, I have decided to collect my Social Security while there is still something there to collect (before "they" give it all away to those who have not really earned it and are definitely not entitled to it.)

I really do wish that I could attend. I would sincerely like to see everyone - at least those who have survived up until now. I noticed several names on the Deceased list that I knew and loved during my time at Cass.

You all did a great job on the Web site. Tell Jerry McDermott I have pleasant memories conjured up by the "Cartoon" at the bottom of the page featuring Mr. Johnson and others. The Art Department was great fun.

I moved to Las Vegas October 10, 1978 and have been here ever since. I just love it. Had my own Graphics & Typesetting company - Las Vegas Typesetting for several years in the mid-eighties. It was very successful. However, too many hours. So, I decided to put my priorities in order and sold my company.

I worked in several hotels - most do not exist any longer - IMPLoded. The Dunes, the Desert Inn. Most recently, I was with the Golden Nugget and Arizona Charlies. I was laid off from the Golden Nugget in October 2008 after 3 years.

I have done a little travelling over the years - Spain in 1971, Mexico in 1972 and several times since then. I have travelled all over the USA while I was a member of the Air Force Association, Claire Chennault Chapter, Secretary (mid-60's to early 70's). Had a wonderful time for about 7 years and met many great people both military and just good old patriotic Americans.

I was never blessed with children, so therefore, no grandchildren. Lots of nieces, nephews and great-nieces and nephews.

There is really not much to tell you. My computer is not very up-to-date, so I cannot send you a more recent picture than my graduation picture. And, the only picture that I do have is from 2001. If you would like, I can mail that to you if you would please send me an address.

Thank you and God bless,
Anne Boedigheimer-Berard-Wyatt. - What a Moniker.

p.s. I just know you will all have a wonderful time.
